

Fletcher Free Library Restroom Policy

The Fletcher Free Library has established certain standards of acceptable behavior on Library property in order to maintain an atmosphere that promotes the use and enjoyment of the resources and services of the Library, promotes the safety of the general public and the Library staff, and protects the building, furniture, equipment, and materials of the Library.

Any activity that interferes with the rights of other patrons to use the Library, disrupts the normal functioning of the Library, could result in physical, emotional, or mental injury to oneself or others, or could result in damage to the facilities, equipment, or materials is considered disruptive and unacceptable behavior.

Restrooms for the general public are located on the Mezzanine level. In order to access the general restroom the user must go to the Main Circulation Desk and exchange their Library Card or ID for the restroom key. At the discretion of staff, other forms of collateral may be accepted, such as a phone or keys. Staff cannot accept large forms of collateral such as backpacks or groceries.

The restrooms located in the Basement level are restricted for use by those attending meetings in the Community Room and Library users requiring ADA accessibility, who can request access at the Main Circulation desk.

The restrooms in the Children's area are restricted to children, parents and/or caregivers accompanied by a child, or users requiring ADA accessibility.
